Introduction, Jurisdiction, and Parties

- 1. This is a civil action to foreclose by power of sale a mortgage given by Defendant Teresa Sanders ("the Borrower"), to the Plaintiff, the United States of America ("the United States"), on or about September 23, 2009.
- 2. This Court has jurisdiction in this matter under 28 U.S.C. § 1345 and 42 U.S.C. § 1490a.
- 3. On information and belief the last known addresses of the Defendants are as follows:

Teresa Sanders 6281 Route 30 Unit # 1 28 Sugar Maple Village Drive West Townshend, VT 05359

Any Tenants or Occupants residing at 6281 Route 30 Unit #1 28 Sugar Maple Village Drive West Townshend, VT 05359

4. Tenants or Occupants of the mortgaged premises, if any, are named as defendants pursuant to 12 V.S.A. § 4932(c)(1) for the purpose of providing notice of the pendency of this action. The United States does not know whether the property will be tenant-occupied at the time the judgment order, decree of foreclosure, and order for judicial sale are entered in this proceeding. Such tenants or occupants, if any, are entitled to notice of these proceedings but

are not entitled to a right of redemption. In the event that the mortgage is foreclosed, the interests of all tenants or occupants, if any, shall be foreclosed and they shall have no further interest as tenants, occupants, or otherwise, in the property. The United States, or the purchaser at the judicial sale, shall have the right to seek and enforce a writ of possession and neither the United States nor the purchaser at the judicial sale shall be obligated or required to institute an eviction proceeding against any tenants or occupants.

Foreclosure by Power of Sale

- 5. On or about September 23, 2009, Teresa Sanders duly executed to the United States of America a real estate mortgage covering certain land and premises described therein. Paragraph 25 of the mortgage reserves to the United States the right to foreclose the mortgage as authorized by state and/or federal laws, including but not limited to foreclosure by power of sale. A copy of the mortgage is attached to and made a part of this Complaint as Exhibit A.
- 6. The mortgage was duly recorded on September 23, 2009 in the Town of Townshend Land Records in Book 101, Pages 385-392.
- 7. The property subject to the mortgage was held by Teresa Sanders, a single person and is described therein as:

Being a portion of those same lands and premises as were conveyed to the West Townshend Condominium Association, LLC by Warranty Deed of Lawrence Stein and Shelley Stein, dated November 14, 2008 and recorded December 1, 2008 at Book 99, Page 91 of the Land Records of the Town of Townshend.

Being Unit 1 of West Townshend Condominiums including an undivided twenty percent (20%) interest in all the Common Elements, according to the Declaration of Condominium for West Townshend Condominiums, dated December 1, 2008 and recorded December 1, 2008 at Book 99, Page 95 in the Land Records of the Town of Townshend, Vermont, and the Condominium Plan for West Townshend Condominiums recorded January 1, 2009 at Plat 100B on the Land Records of the Town of Townshend, Vermont.

Title to the Unit is subject to the following:

- 1. The Declaration of Condominium and By-Laws, both dated and recorded December 1, 2008 and recorded at Book 99, Page 95 and Book 99, Page 133 respectively, on the Townshend Land Records, and any Rules and Regulations regarding the West Townshend Condominium Association which may be promulgated or amended at any time, including all benefits and obligations of ownership of a Unit in the Project as provided in the Declaration and Exhibits establishing the Project;
- 2. Real estate taxes for the current year and future years;
- 3. Conditions, restrictions, reservations, limitations and easements of record;
- 4. Portions of the premises are subject to perpetual flowage and flood easements granted to the United States of America by Warranty Deed of Bertha B. Rhodes, dated September 24, 1959 and recorded in Book 36, Page 279 of the Townshend Land Records.

This conveyance is subject to such rights of way, water and pipe line rights, utility and other easements as may exist of record upon the premises.

Reference is hereby made to the aforementioned instruments, the records thereof, and the references therein contained, in further aid of this description.

- 8. The mortgage was conditioned upon the payment of a certain promissory note, dated September 23, 2009, in the principal sum of \$187,500.00 and bearing interest at the rate of 5.000% per annum. A copy of the note is attached to and made a part of this Complaint as Exhibit B.
- 9. The mortgage further secures repayment of any subsidy granted to the Borrower in the form of interest credit pursuant to a subsidy repayment agreement dated September 23, 2009. A copy of that agreement is attached to and made a part of this Complaint as Exhibit C.
 - 10. Pursuant to the terms of an interest credit agreement dated September 23,

2009, the monthly payment due from the Borrower was reduced during the agreement's effective period. The interest credit agreement expired on June 22, 2012 at which time the monthly payment shown on the face of the promissory note became effective. Pursuant to 42 U.S.C. § 1490a and the terms of the mortgage, any interest credit assistance received on any mortgages given on or after October 1, 1979 is subject to recapture upon the disposition of the property.

- 11. The note provides that upon default by the Borrower of any payment, the United States at its option may declare all or any part of any such indebtedness immediately due and payable. Because the Borrower, Teresa Sanders, defaulted on the note, acceleration and demand for full payment took place on September 4, 2014.
- unable to pay the amounts due pursuant to the terms of the note. Efforts were made to meet with the Borrower to discuss her default and options to avoid foreclosure. On October 14, 2014, Jon-Michael Muise attempted to meet with Ms. Sanders at the mortgaged property in order to explain the options available to her for avoiding foreclosure. Ms. Sanders was not home and the property appeared vacant, but a pamphlet with contact information for USDA's Centralized Servicing Center ("CSC") was left at the residence. Ms. Sanders did not contact CSC. On September 10, 2019, Mr. Muise, having been informed that Ms. Sanders had returned to and was again residing at the Mortgaged Property, again attempted to meet with Ms. Sanders at the mortgaged property in order to explain the options available to her for avoiding foreclosure. Although a vehicle was parked in the driveway, no one answered the door

and Mr. Muise left his business card and a pamphlet with contact information for CSC at the residence.

- 13. There is due and owing by the Borrower to the United States as of September 9, 2019, the principal sum of \$211,055.93, plus interest in the amount of \$56,724.65, which interest accrues at the daily rate of \$128.91. There is further due and owing interest credit subsidy subject to recapture and principal reduction attributed to subsidy in the amount of \$13,113.62, as described in paragraph 13 above, and escrow assessed at \$721.57, and fees assessed at \$26,125.21 and late charges of \$130.08.
- 14. Paragraph 7 of the mortgage authorizes the United States to do and pay for whatever is necessary to protect the United States' interest in the property, including paying any sums secured by a lien which has priority over the mortgage held by the United States. Any amounts disbursed by the United States for this purpose become additional debt secured by the mortgage.
- 15. On information and belief, in order that it may protect and preserve its security, the United States may be compelled to make advancements for payment of taxes, hazard insurance, water and sewer charges, or other municipal assessments.

 Although the nature and amount of such expenses are unknown to the United States at this time, the United States seeks recovery of those expenses, together with interest thereon.
- 16. No other action has been brought to enforce the provisions of the aforesaid promissory note and real estate mortgage, and all conditions precedent to the bringing of the action have been performed or have occurred.

17. The United States has complied with the requirements of all applicable federal servicing regulations.

WHEREFORE, THE PLAINTIFF PRAYS:

- a. That the Defendants' equity of redemption be foreclosed in accordance with law;
- b. That the Court enter, pursuant to the United States' exercise of its right to a foreclosure by public sale, an order for public sale of the mortgaged premises;
- c. That the Court award expenses incurred by Plaintiff to preserve and protect its security;
- d. That the Court fix and allow attorney's fees and other costs and expenses incident to this proceeding;
- e. That the United States of America or the purchaser at the judicial sale be granted a writ of possession in the mortgaged premises;
- f. And for such other and further relief as this Honorable Court may deem just and equitable.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures which now or hereafter are a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and fate charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Leider, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is poid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums, and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held by a federal agency (including Lender) or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this I oan, unless a pplicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property after acceleration under paragraph 22, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit

against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law or Lender's regulations provide otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied in the following order of priority: (1) to advances for the preservation or protection of the Property or enforcement of this lien; (2) to accrued interest due under the Note; (3) to principal due under the Note; (4) to amounts required for the escrow items under paragraph 2; (5) to late charges and other fees and charges.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground tents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Lender has

agreed in writing to such lien or Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manuer acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien of take one or more of the actions set forth above within ten (10) days of the giving of notice.

Borrower shall pay to Lender such fees and other charges as may now or hereafter be required by regulations of Lender, and pay or reimburse Lender for all of Lender's fees, costs, and expenses in connection with any full or partial

release or subordination of this instrument or any other transaction affecting the property.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurer providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, at Lender's option Lender may obtain coverage to protect Lender's rights in the Property pursuant to paragraph 7.

All insurance policies and renewals shall be in a form acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the

insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within thirty (30) days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The thirty (30) day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If after acceleration the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this

Security Instrument immediately prior to the acquisition.

6. Preservation, Maintenance, and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall maintain the improvements in good repair and make repairs required by Lender. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begin that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although

Lender may take action under this paragraph 7, Lender is not required to do so

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Refinancing. If at any time it shall appear to Lender that Borrower may be able to obtain a loan from a responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes, Borrower

will, upon the Lender's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby in full.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured insmediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured hereby inmediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within thirty (30) days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property of to the sums secured by this Security Instrument, whether or not then due. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the

monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower and any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The Government will use all of my prepayments to reduce the amount of principal that I owe under this Note, if I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Government agrees in writing to those changes. Prepayments will be applied to my loan in accordance with the Government's regulations and accounting procedures in effect on the date of receipt of the payment.

USE CERTIFICATION. I certify to the Government that the funds I am borrowing from the Government will only be used for purposes authorized by the Government.

If this happens, I will have to immediately pay off the entire loan.

REQUIREMENT TO REFINANCE WITH PRIVATE CREDIT. I agree to periodically provide the Government with information the Government requests about my financial situation. If the Government determines that I can get a loan from a responsible cooperative or private credit source, such as a bank or a credit union, at reasonable rates and terms for similar purposes as this loan, at the Government's request, I will apply for and accept a loan in a sufficient amount to pay this note in full. This requirement does not apply to any cosigner who signed this note pursuant to section 502 of the Housing Act of 1949 to compensate for my lack of repayment ability.

SUBSIDY REPAYMENT AGREEMENT. I agree to the repayment (recapture) of subsidy granted in the form of payment assistance under the Government's regulations.

SUBSIDY REPAYMENT AGREEMENT

Only one agreement should be executed by the subject borrower for the subject property. The agreement is completed at the closing of the first Agency loan to the borrower regardless of whether or not they qualify for payment assistance at that time.

- 1. As required under section 521 of the Housing Act of 1949 (42 U.S.C. 1490a), subsidy received in accordance with a loan under section 502 of the Housing Act of 1949 is repayable to the Government upon the disposition or nonoccupancy of the security property. Deferred mortgage payments are included as subsidy under this agreement.
- 2. When I fail to occupy or transfer title to my home, recapture is due. If I refinance or otherwise pay in full without transfer of title and continue to occupy the property, the amount of recapture will be calculated but; payment of recapture can be deferred, interest free, until the property is subsequently sold or vacated. If deferred, the Government mortgage can be subordinated but will not be released nor the promissory note satisfied until the Government is paid in full. In situations where deferment of recapture is an option, recapture will be discounted 25% if paid in full at time of settlement.
- 3. Calculating Original Equity.

For Self-Help loans, the market value is the appraised value as determined at the time of loan approval/obligation, which is subject to completion per plans and specifications. If the house is not ultimately furnished under the Self-Help program, an amended agreement using the market value definition for all other transactions as outlined below must be completed.

For all other transactions, the market value is the lower of the:

Sales price, construction/rehabilitation cost, or total of these costs, whichever is applicable

Appraised value as determined at the time of loan approval/obligation.

If the applicant owns the building site free and clear or if an existing non-Agency debt on the site without a dwelling will not be refinanced with Agency funds, the market value will be the lower of the appraised value or the construction cost plus the value of the site.

Percent of Original Equity (Determined by dividing original equity by the market value)	\$0.01	%

4. If all loans are not subject to recapture, or if all loans subject to recapture are not being paid, the amount to be recaptured is computed according to the following formula. Divide the balance of loans subject to recapture that are being paid by the balance of all open loans. Multiply the result by 100 to determine the percent of the outstanding balance of open loans being paid.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information callection is 5575-0172. The time required to complete this information collection is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
